

This is a project update for the Cowles Street Project effective August 21, 2009.

Please visit the Cowles Street Project [website](#) and refer your clientele for more information.

Cowles St and 21st Ave

- Sidewalk installation is nearing completion, but work will continue
- Please avoid concrete work zone, especially fresh concrete
- Please be extremely cautious as equipment and workers will be in the road area

Cowles, 23rd to 19th Ave, continues to be CLOSED to through traffic

- Residential and Business access is provided
- Detours are set up during this period, directing traffic around the closed area

19th Ave and Cowles St Intersection

- Eastbound traffic (headed towards South Cushman) has been shifted into turn lanes
- Westbound traffic remains in its normal lane, but drivers should be cautious

23rd Ave and Cowles St Intersection

- Westbound traffic (headed towards Lathrop St) has been shifted into turn lanes
- Eastbound traffic remains in its normal lane, but drivers should be cautious
- The four way stop remains in effect at both intersections

- Watch for pedestrians, especially children walking to and from schools
- 21st Ave and Cowles St are unpaved so speeds should be kept down for safety

If you have any ADA concerns about the Cowles St Project please contact Exclusive Paving or DOT&PF.

THANK YOU FOR YOUR PATIENCE!

Dale Himebauch, Exclusive Paving
(907) 488-8833, dwhimebauch@colaska.com

David Hetman, DOT&PF Project Engineer
(907) 456-8855, dave.hetman@alaska.gov

Meadow Bailey, DOT&PF Public Information Officer
(907) 451-2240, meadow.bailey@alaska.gov

21st Ave and Cowles St (respectively), both with recently installed sidewalk

NOTE for work occurring in surrounding area:

H C Contractors Inc. will begin working on 21st Ave between Cowles St and Lisga St.

Please direct any questions or concerns about the H C project to their office at 455-6667.
